Dear business partners, dear clubs and
dear friends of sport,

the start of 2023 is also a start for new opportunities and new possibilities for sport, for business and for the whole society.

Also in view of many uncertainties, we at ERIMA will do everything we can to give you security in the organization of the clubs and the equipment of the teams. We also want to actively support the specialized trade in providing clubs and sports with good advice, good support and prompt delivery. We are prepared for this.

We wish you all that you have success and fun again in all your projects.

Myself and we at ERIMA are well prepared and are convinced that 2023 will be a good year. We are optimists.

With sporting greetings
Yours

Wolfram Mannherz
